Dear All,

Firstly, we really hope that you and your families are keeping safe and well during this crisis. For those of you who have remained on site throughout, we hope that we have maintained our service levels to the very best of our ability. We think our bus could now self-drive itself to Lidl and Aldi. Please rest assured that the staff and management of Unirooms are available 7 days a week to assist you in any way we can.

The safety of our students remains of paramount importance and with this in mind, we have secured the services of commercial cleaning contractors to clean and sanitise all properties to BESA Standards. The cleaning has already commenced and will be continuing over the coming weeks. We would ask you all to continue to play your part in helping us provide the safest environment possible.

We would again ask that students adhere to any travel restrictions currently in place, however as the end of year approaches and moving out time draws ever nearer, if you do wish to collect your belongings in advance, then please contact us in order to arrange a suitable time, so that we can ensure that the required social distancing is adhered to. Just to confirm your licence agreement with us ends on 22 May 2020 and our maintenance and upgrading works on various units, commence the following week.

At Unirooms we have always tried to be different in our approach to our valued students. It has been a strange last term for all and one which we shall never forget. We are fully aware that times are now tougher for all and unlike other providers, we appreciate the efforts and sacrifices that you and others have made to allow you make Unirooms, your home away from home. We firmly intend to reward your loyalty throughout the year and want to make next year that little bit easier for you. We are happy to confirm that for all returning students for the next academic year, we will be offering you one month's discount off your full year's Annual Licence fee for the 2020/2021 term. There are some basic terms and conditions attaching to this, but these will be explained in your new Licence Agreements for next year. We will also have an exciting competition for you with all details posted on our Instagram and Facebook pages.

We wish all our students the best of luck with their exams and we look forward to seeing you all again next year.

Kind Regards,
